Our Shop

Welcome to Shisler's Cheese House. The original Shisler's Cheese House was established in 1958 by John Shisler. The simple goal was to provide local cheeses and gourmet foods to locals and any travelers on the Lincoln Highway who wanted try some local fare. It is now owned and operated by a third generation of Shislars. We now ship to over 30 countries. We have a new website offering our cheeses and other local fare to the world, and we have plans to expand in the spring.

Our deli counter features Amish fresh cheeses and meats, chocolate, pickles and peppers, jellies, jams, gourmet foods as well as bakery items.

Upon entry of the campus you'll find yourself driving down a winding driveway passing the beautifully serene pond, and a magnificent wooden cross, surrounded by over forty flourishing trees. Next to the pond is Anna's Chapel, a charming travelers chapel open to the public all year round.

Walking through the front doors of the building guests are greeted by a two story grand lobby containing a number of large wood plaques adorning the walls. Ascending the grand staircase to the retail store, guests will find a series of windows, providing a bird's eye view to the manufacturing floor where the entire production process can be seen from start to finish. Large CNC routers, powerful lasers and simple craftsmanship are all part of the artistry involved in the development of P. Graham Dunn products.

Visually breathtaking, the gift shop spans 20,000 square feet and is filled with elaborate wall art, enchanting home decor and thousands of unique gifts. The stunning displays are filled with encouraging prints and engraved scripture that are sure to leave customers feeling inspired and hopeful. With our Grand-Re-Opening completed May 2017 our retail store has been entirely remodeled, not only can you revel in inspirational sentiments at every corner, but you can enjoy the comfortable seating and coffee to make your visit one to remember. Our Store

What started as a small hardware store serving the local Amish in Kidron, Ohio, grew into something much bigger than founder Jay Lehman ever dreamed. Gathering four pre-Civil War era buildings under one soaring roof, today our store is a place to embrace the past: from old-fashioned treats and sodas to practical, non-electric goods that help you live a simpler life. Shop and reminisce your way through thousands of products while browsing Jay's antique collection located throughout the store. Make sure you give yourself plenty of time—the full shopping experience is nearly a quarter mile long!
